

YOU'RE INVITED!

LEADERS FORUM & SPONSOR SPEAKER EVENT

Please join us for our Leaders Forum & Sponsor Speaker event, where Michael McDermott, operations director for the Browning Reserve Group, will be our guest speaker. As president of the Association of Professional Reserve Analysts (APRA) and Community Associations Institute (CAI) volunteer, Michael is passionate about his work and uses his time to teach reserve study fundamentals to professional association managers. In this forum, we'll cover reserve study basics and identify how reserve studies can be used for best results, the components and impact of COVID-19 on rising costs, and the importance of collaboration and communication. There will also be time for questions.

DATE & TIME

Wednesday, November 11, 2020
